TRINITY LOGISTICS

Responsible Care[®] Policy

Trinity Logistics is committed to a Servant Leadership philosophy whereby we lead together to make an impact in others lives as indicated by our Purpose, Mission and Vision Statements:

Purpose: Our purpose is to improve peoples lives by constantly striving to be our best.

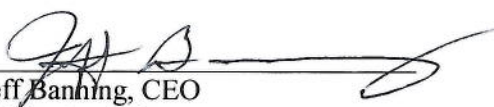

Mission: We deliver creative logistics solutions through a dynamic mix of human ingenuity and technology, enriching the lives of those we serve.

Vision: We are one team built upon a culture of distinction, equipped with innovative technology, delivering a Best in Class Experience.

Trinity Logistics also believes in the principles of Responsible Care[®] as they are an extension of our Purpose, Mission and Vision. As such we commit to the following principles for the betterment of our team and those we serve:

- **Compliance** – We will manage our business activities to meet the requirements of all applicable laws, regulations and other Responsible Care-related requirements to which we subscribe.
- **Sustainability** – We will conduct our services and activities in a sustainable manner by protecting
 - the health and well-being of our employees and stakeholders; and
 - the environment through prevention of pollution.
- **Continual Improvement** – We will regularly evaluate environmental, health, safety and security performance, measure improvements and define improvement objectives.
- **Openness** – In a commitment to openness, we will encourage and seek constructive dialogue with stakeholders.

Every Team Member of Trinity Logistics is required to uphold this policy. This policy shall be communicated our Team Members and to stakeholders of the organization, including the public.
